

Status Report 6

July 22, 2020

Seabeck Community Center (SCC)

15398 Seabeck HWY NW

Seabeck, WA 98380

Good News. The Central Kitsap School Board voted approval of the SCC. This means that SCC and CKSD can now sign a contract (Final Operating Agreement that we have negotiated). SCC officers will sign this agreement as soon as liability insurance is in place. The Multi-Purpose Building (gym), sports fields and other facilities will be known as “Seabeck Community Campus”.

CKSD and their contractors are continuing to make progress on the Multi-Purpose Building. Everything that was stored in the building has been removed. Lighting has been completed. Septic installation and heating system grooming are the next tasks to complete.

We have a group of volunteers that will be cutting trees and brush. Thanks to Joe Emel and Billy Mills.

The SCC officers met on July 16 to discuss a range of topics. This included: establishing a board of directors, voting officers and directors into SCC, insurance, website, getting out information to the community, pledges, membership and schedule. We accomplished a few things, however, we need more community involvement and help. We still can't hold a public community meeting due to COVID-19 rules. The way we will proceed is to get information out via a website which is now up; www.seabeckcc.org. Thanks to Kathy Cole. Also, we now have a USPS account that will permit low cost mailing. Thanks to Suzanne Arkless. In the meantime, please tell friends and neighbors about SCC.

An outdoor community meeting will be announced as soon as the COVID-19 rules allow. This will be a get to know each other, a Q & A, and a discussion of highlights related to:

- Vision presented to CKSD
- SCC's Mission

- SCC and CKSD Operating Agreement
- SCC's Organization – Officers, Directors, Members, Volunteers
- What are the next actions and milestones

You may make donations by check payable to SCC (a non-profit) and mail them to the above address.

Cheers,

Suzanne Arkless and Don Chalupka
